Or maybe you'd want to find out all about common word roots (they'll boost your comprehension right away!). Each word is accompanied by a clear image and audio clip. Some of the most prominent English-speaking holidays are Valentine's Day, Easter, Thanksgiving and Christmas, and they each have their own unique vocabulary. The English language also has tons of interesting niches you can look into. If you're not used to Latin lettering, you can also test your typing skills for different vocabulary words. Fortitude Vocabulary Builder Don't want to use up your data plan? Slang words? With these points you can unlock more words as you improve your fluency. — Middle school principal, Adelphi, MD Vocabulary.com tells me on my teacher dashboard which words my students are struggling with, so I can spend an extra minute in class reviewing those. (Don't we all?) VocApp English Flashcards Flashcards are still popular for a reason—they really do work at teaching vocabulary words! This little flashcard tool from VocApp is perfect for English learners at any level. Test your knowledge of these words by matching them with their definitions or vice-versa. You can browse different words and use the test function to quiz yourself. This app also has a translation feature that allows you to look up and translate English words into your mother language. FluentU Want to learn English vocabulary without feeling like you're studying? There are pictures to help you understand and remember the words, so even absolute beginners can use this app to power through vocabulary words in English. You can select beginner, intermediate or advanced and get live updates on how well you're doing at each level. If you love a simple and clean design and also want something that can teach you vocabulary offline, this app is for you. Not only is it great for learning English words, but the design and game-like functions also make it a bit addictive. For every word you correctly define, you earn points. This app really is packed with a lot of features that all levels of learners can enjoy. — High school science teacher, Broward, FL See more Put your school on the map Get involved Whether you're a teacher or a learner, Vocabulary.com can put you or your class on the path to systematic vocabulary improvement. Then you might be ready to move on to more advanced English! You can delve into widely known but more complicated words like illusion and runners-up. You can use them whenever you have a spare minute in your day. That means you'll dramatically increase your vocabulary without adding any extra lessons to your schedule. Not sure which app to start with? TOEFL English Vocabulary Cards While this is yet another English flashcard vocabulary app, it's perfect for any English learner who's currently cramming for the Test of English as a Foreign Language (TOEFL) in order to enroll in an English-speaking university. The TOEFL is a big deal for students who want to study abroad in English-speaking countries and this app can be a real lifesaver during the study process. English Vocabulary Builder This vocabulary builder app is a must-have for English learners of any level. The interface is simple and it's very user-friendly. Keep doing what you do, your website has helped me so much! — High school student, Lewisstown, PA I see enhancing the vocabulary of students as essential in this knowledge-based economy. There are lots of English vocabulary Android apps that are specifically designed to teach you new words. There's also the weird but wonderful world of homophones, where two words sound alike but have different meanings. Deepen your understanding of English with these blog posts: Difficult English words Business and professional English Word Parts and Components English Slang Once you've got the foundations of English down, one way to sound even more natural is to learn slang. Galvanize Test Prep Ultimate Vocabulary Builder This app is one of the most popular English vocabulary apps in the Google Play store, and for good reason. We've got them all here! Contents Core English Vocabulary Use English pretty often, and you'll notice that the same words keep popping up over and over. In this section, we'll tackle the core English vocabulary that you need to know, from articles such as a and the to friendly greetings and ordering from restaurants like a local. This is the practical type of English that's meant for your day-to-day life—whether you're chatting with friends, traveling or about to go on a date! Common English words Important specific words Easily confused words Time, day and months vocab Friends, Family and home Romance and love vocabulary Travel and survival English Food, drink and eating out Hobbies Nature-related words Advanced TOEFL Vocabulary Already feel confident with basic English but you want to expand your vocabulary? Whether you're looking up a specific word or just browsing, you'll find a universe of friendly explanations and fun activities designed to educate and entertain. You can access hundreds of vocabulary words that've been selected by a professional TOEFL tutor and quiz yourself on their meaning through digital flashcards. It's simple, accurate and perfect for intermediate and advanced learners. With our advanced teaching algorithm and study tools, get ready for your vocabulary to expand! Sign up. These English vocabulary Android apps really are perfect! Em Casalena is a published author, freelance writer and music columnist. Afterward, you can review the words that you incorrectly defined and save them to a custom list to study later. It's really a simple app, but sometimes simple is good! All levels of learners can use this handy vocabulary builder, but beginners will benefit the most from the vocabulary words provided. Learn more Play games and compete in activities on your own or with participants from around the globe. They write about a lot of stuff, from music to films to language. Whether you're a beginner learner, an intermediate learner or an advanced learner, most of these apps are worth having on hand for their vocabulary banks alone. These apps are designed to help you memorize, comprehend and pronounce English vocabulary words. In other words, these apps aren't just English dictionaries. You'll get a full understanding of how to use new words correctly in different situations. Since you can take vocabulary apps anywhere on your Android device, you can practice your English vocabulary on-the-go, on your own time. It's free. Different English countries can also have different slang! Regional English Slang American English Australian English British English New Zealand English More Fun English Vocabulary When it comes to English vocabulary, you'll keep finding fascinating words. For one, there are words for special occasions. Select a word theme (such as "Important Words" or "Antonyms") and take the test to see how well you know that particular word set. Lots of people are! You can definitely learn English vocabulary words through pictures and this app from oCoder proves it. With this app, you can access thousands of vocabulary words divided into 100 topics. Teachers and learners are doing amazing things with Vocabulary.com I took the PSAT on Wednesday and the vocabulary section was a breeze. If you read through any English-language social media website—Twitter, YouTube, Facebook or Reddit, for example—you'll see lots of slang. Don't be such a couch potato. TBH, I haven't seen that meme yet. This summer, I'm going to YOLO. Slang tends to pop up in informal or casual conversations as well as online. I'll show you the eight most reliable and helpful Android apps to increase your English vocabulary fast. Contents Why Download an English Vocabulary Android App? Many of these apps have enormous dictionary banks of vocabulary words, so you'll constantly have new words to learn. Don't worry, this vocabulary app from Fortitude works offline. This app boasts a vocabulary bank of over 1,400 words, complete with accurate and simple definitions, plenty of real-world examples and crystal clear audio pronunciation. The challenge aspect is really fun! If you're studying for the GRE—the test that graduate school candidates take in North America—you're also in luck. When you're on the bus or on a work break, you can easily learn a couple of new words with these apps on hand. You can also play word games for a little bit of entertainment. This app is also handy because it allows you to define English words in your mother tongue, so beginners can really benefit from this one. English Vocabulary by Picture Are you a visual learner? This app teaches you the small nuances and details of different English words, which is necessary to pass the GRE. This app would best suit intermediate and advanced learners, but beginners who want a challenge can certainly try it out. You don't have to settle for mulling over an English dictionary in order to improve your vocabulary bank. Business English? Get started You can select your preferred difficulty within the app. This flashcard vocabulary app is unique in that it uses more complex elements to teach you every aspect of a vocabulary word, from the pronunciation to example sentences to definitions. You can even create your own flashcards in the app for a more customized experience. One of the largest English dictionaries has more than 21,000 pages. Here's something even more impressive: someone actually attempted to read it from start to finish in one year. Don't worry though—you don't need to do all that to master English. Master the most common 3,000 words, and you'll pick up 90% of what you're hearing and reading. Bump that up to around 10,000, and you're considered fluent. In this post, we've put together all of our best English vocabulary lists. Travel English? Broaden your tech speak in English with words like "download" and "screenshot," or get trendy with some of the newest words in the language! Make your English more colorful with these guides: Holidays in English Miscellaneous fun English vocabulary Constantly learning vocabulary is a key part of becoming fluent. It's fascinating to see how communicating in English becomes easier as you pick up more and more words! With this master sheet of resources, you can grow your vocabulary—from building a foundation with the most basic words to expressing yourself like a native. Test Your English Vocabulary If you're preparing for an English proficiency test and want to get caught up on more complex English vocabulary words, this is the perfect app to use. Search through thousands of words that you'll need for English proficiency exams that are popular around the globe.
